

Dear Parents and Students,

Warm greetings from Bharath Group of Institutions

We are delighted to announce that our school will be hosting a **Food Fest on Wednesday, 12th November** this year for our students. The event aims to blend fun and flavor with a noble purpose – all profits from the fest will be donated to charity in support of those in need.

Students can choose from the delicious menu shared in the following pages and enjoy a joyful, community-filled experience with their friends. To help us make the necessary arrangements, we request you to ensure that all the orders are placed by **Saturday, 8th November 2025**.

Adding to the excitement, students can also participate in a variety of fun games and activities organized for the day!

Through this initiative, we hope to nurture the values of compassion, social responsibility, and gratitude among our students while giving them an enjoyable and memorable experience.

We look forward to your encouragement and support in making this meaningful event a grand success.

Thank You!
